

## Social care survey

### 1. How confident are you that the Government's current plans for health and social care are sufficient to cope with future demand?

**2. How confident are you that your local authority will be able to achieve full health and social care integration by 2020?**

**3. What are the main ways in which your local authority is likely to cope with rising demand for adult social care services? Please select the three you think it is most likely to prioritise.**

**4. Do you expect the number of delayed transfers of care in your area to significantly drop in 2017?**
